

Solar  Screen

HIVE

Design

Decorative - Abstract

Description

Inspired by nature and beehives, Hive window film will give your windows and glass surfaces an atypical and aesthetic touch. The use of geometric shapes on your glazing or glass partitions is an excellent way to brighten up any space.

Stadip Int. Clear Double Pane

✓ Yes ✗ Not recommended ! Caution

Construction

- 1 High optical quality polyester with printed design
- 2 PS adhesive, polymerizes with glass within 15 days
- 3 Protection PET release liner, disposable after installation

Composition
PET

Thickness
40 µm

Details

Installation and Maintenance Advise

Use Slide On (600-FO2) or Film On (600-F0355) diluted at 2 cL/L of water for installation and cleaning. Do not clean for one month after installation or apply stickers/adhesives on the film.
